

Award Cycle

The financial administration of sponsored awards is a shared responsibility and collaboration among the Principal Investigator (PI), academic unit, campus, and University of Missouri System. The University realizes the importance of research and, as a result of accepting federal awards for sponsored activity, there comes certain obligations and responsibilities outlined in Office of Management and Budget (OMB) 2CFR200 and University Policies and Procedures. The PI should seek guidance from the Office of Sponsored Programs Administration (OSPA) and other research administrators on major topics included in the federal regulations to help the University remain compliant with these regulations.

The PI coordinates proposal submission, operation, and closure of the award. The PI is expected to ensure compliance with the federal regulations (FO) and OSPA. The PI is expected to ensure compliance

Authorized Signer or Authorizing Official ²The Office of Sponsored Programs Administration is the designee for MU to approve all awards. Authorization on an award:

M & R P MU will be accountable for the appropriate use of funds awarded and the performance of the project or activities resulting from the award.

M attests that all information contained in the proposal is accurate, complete, and in conformance with sponsor and University requirements.

Facilities & Administrative Costs (F&A) ² Indirect costs incurred for common or joint objectives and, therefore, cannot be identified readily and specifically with a particular sponsored award such as lab space, utilities, and other administrative costs. F&A costs are real costs to the University and are allocated to the award as a percentage of each direct expenditure.

Modified Total Direct Cost (MTDC) - A commonly used expenditure base consisting of all salaries, wages, fringe benefits, materials, supplies, services, travel, and up to the first \$25,000 of each subaward. MTDC generally excludes capital expenditures, charges for patient care, tuition remission, rental costs for off-site facilities, scholarships, and fellowships.

OMB ² Office of Management and Budget. Federal agency that ensures federal monies are spent in accordance with federal regulations.

Direct Costs

Direct costs are identified specifically with a particular award. Direct costs must be:
